

**Internationales Bugatti - Treffen
Deutschland 2021
in the Bavarian Alps
14 - 20 june
Prologue „Crossing the Alps“
11 - 13 june**

Bugatti – Club Deutschland organises the International Bugatti Meeting 2021 in the Bavarian Alps and region of Chiemsee-Chiemgau. The Chiemgau situated between Munich and Salzburg is known for its impressive landscapes, its beautiful nature and lots of idyllic places. Against the beautiful backdrop of the majestic Bavarian Alps, which also includes the neighbouring Austria, with Tyrol and Salzburg, we will be setting off on five days of touring – with original, rustic, idyllic, and breath-taking views. The “Golfresort Achental” in the Grassau hotel complex provides the ideal starting point for this trip.

Three special events will give a special touch to the meeting. On the one hand there is the 140th birthday of Ettore Bugatti on the other hand the 65th anniversary of the Bugatti Club Deutschland and last but not least the „Prolog“ - a challenge that especially ambitious drivers, both male and female, can register for additionally.

We will be crossing the Alps in a small, familiar group. Among others, we will be taking the “Grossglockner High Alpine Road”, which is probably the most spectacular Alpine road in Europe. During the crossing, we will have an overnight stop-over in “Hohe Tauern” national park.

We hereby kindly invite the members of the international Bugatti community to experience the International Bugatti Meeting in Germany 2021 with us. More information on the meeting and registration will follow shortly.
Yours faithfully and Vive la marque!

Bugatti Club Deutschland e.V.

Eberhard Grether Heinz Elfers
